Digital Orthophoto Quarter Quadrangle Mosaic created by Texas Natural Resources Information System.
1 meter color infra-red image.

The horizontal positional coordinates for the point locations identified on the map were obtained by CVCOG and TNRCC personnel using differentially corrected GPS.

This map was generated by the Concho Valley Council of Governments. No claims are made to the accuracy or completeness of the data or to its suitability for a particular use.

This map was prepared by the Concho Valley Council of Governments and the Texas Natural Resource Conservation Commission Region 8 in response to previsions of Section 363.064, Texas Health and Safety Code.

The closed landfill unit location and boundary indicated on this map are approximations only, based on the best available information.

Specific land tract(s) have been identified within this approximate boundary in order to inform the current and prospective landowner(s) that a closed landfill unit(s) may exist on any or all of these tract(s).

This map is not intended to influence the sale or purchase of real property. Accompanying this map is additional information on the subject closed landfill unit, land tract(s) and the assigned confidence level of the unit's location on this map.

TEXAS STATE DEPARTMENT OF HEALTH

APPLICATION FOR A PERMIT TO OPERATE A
MUNICIPAL SOLID WASTE FACILITY

NOTE: This form and supporting documents should be submitted in seven copies. An application for a State permit is not required for a municipal solid waste facility which has a valid license issued by a county having an adopted licensing system and exercising its authority under that system.
We do not have access to a copier.

Name of Applicant County of Irion
(city, county, individual, or company)

Type of Facility (check one):	Type of Operation (check one)
____ Incinerator	____ I
____ Composting	____ II
____ Transfer	____ III
____ Reclamation/Salvage	____ IV
____ Landfill	____ Brush-Demolition Fill
✓ Other	____ Brush Site

Facility is: Existing 1925 or Before ; Proposed ____ (check one).
(Date established)
½ mile yards to nearest public road; 52 miles to nearest airport

Street Address or Location of the Site:
1 mile South of Barnhart

Site is located in: (fill in one of following blanks)

City limits of City of ____

Extraterritorial jurisdiction of City of BARNHART

Neither of the above ____

Municipal Solid Waste Permit Application (SWA-2)
TSDH (December 1974)

The facility will serve approximately 75 persons and it is estimated that it will receive an average of approximately 160 lbs per day tons per day of municipal solid waste. The estimated life of the facility is 50 years.

It is requested that the permit be issued for a site of 4 acres. If the permit is issued, it is understood that a public hearing will be required before the permit can be renewed or extended. Also, that expansion or modification of a permitted site will require submission of a new permit application.

The name, address, and telephone number of the owner of the site is as follows:

The land is owned by the University of Texas and is leased by Hans Lintelmann, of Burnet Texas

The name, address, and telephone number of the governmental entity or firm responsible for the operation of the facility is as follows:

County of Irion, Mr. C. A. Perry
County Commissioner

Enclosed with the completed application are the following required documents:

1. A map indicating the exact location of the site. (The enclosure should be all or a portion of a Half-Scale Texas Highway Department County Map or a United States Geological Survey 7½-Minute Quadrangle Sheet or

2. A list of names and addresses of property owners whose property is adjacent or contiguous to the solid waste site, with the approximate distance between the nearest boundaries of the site and the contiguous properties indicated. (A sketch or map is desirable.)

3. A legal description of the land on which the site is located.

(NOTE: The Texas State Department of Health "Municipal Solid Waste Regulations" require that data presented in support of an application for a permit for a Type I operation serving more than 5,000 persons and for a Type IV operation shall be prepared under the direction of a registered professional engineer. The "Texas Engineering Practice Act", Article 3271a, Vernon's Texas Civil Statutes, makes it unlawful for engineering plans, specifications, and estimates for certain public works to be prepared except under the direct supervision of a registered professional engineer; it is suggested that the applicant consult his legal counsel concerning the applicability of this statute to this permit application.)

OTHER PERTINENT INFORMATION: (Include any information you feel will assist the Department in its evaluation. Additional information may be required upon review of this application. The applicant will provide such information upon request.)

Jack C. Carmichael P. E.
Dividion of Solid Waste Management
Austin, Texas 78756

Dear Mr. Carmichael:

In regard to your letter on the municipal solid waste site permit application No. 500 at Barnhart.

This was never considered a solid waste site or designated as one. This in on University of Texas land and was only a dump area, it is not covered up and no longer in use.

Sincerely yours,

Steve Elkins
County Commissioner Irion County
Precinct # 3.

RE:— IRION COUNTY SITE (BARNHART) → P.A. #500 (CLOSED)

LEW:-

THIS IS ANOTHER SITE THAT YOU MIGHT WANT TO DISCUSS WITH THE LEGAL DIVISION WHEN YOU SEE THEM ABOUT THE SAM HUGHES MATTER.

LAST WEDNESDAY, 7/29, JIM SOPER CALLED TO TELL ME THAT ONE OF THE IRION COUNTY COMMISSIONERS HAD CONTACTED HIM CONCERNING OUR RECENT LETTER REQUESTING AN AFFIDAVIT FOR THIS CLOSED SITE. (PHIL WROTE THEM LAST YEAR CONCERNING THIS MATTER AND THEY SUBMITTED THE VOLUNTARY CANCELLATION LETTER, BUT NOT THE AFFIDAVIT).

JIM SAID THAT THE COMMISSIONER TOLD HIM THAT THEY COULD NOT COMPLY WITH OUR REQUEST BECAUSE THEY (THE COUNTY) DO NOT KNOW WHO OWNS THE LAND, AND THEY WANT US TO RESCIND OUR REQUEST FOR THE AFFIDAVIT. JIM GAVE ME THE IMPRESSION THAT HE IS, MORE OR LESS, IN AGREEMENT WITH THEM. I TOLD JIM THAT I WOULD BRING THIS MATTER TO YOUR ATTENTION.

A STUDY OF THE MATERIAL IN THE FILE BRINGS TO LIGHT THAT FROM THE VERY BEGINNING THEY HAVE OBJECTED TO HAVING TO COMPLY WITH OUR REGULATIONS BECAUSE OF THE SIZE OF THE COMMUNITY THAT IT SERVES. BARNHART, AS THE ATTACHED LETTER FROM THE JUDGE ILLUSTRATES. INSPECTION REPORTS ON FILE INDICATES BARNHART TO HAVE A POPULATION OF 300.

THE PERMIT APPLICATION INDICATES

Okay from computer

THAT THE LAND IS OWNED BY THE UNIVERSITY OF TEXAS AND IS LEASED BY GENE LINTDICUM (?)

THIS IS A 4-ACRE SITE, EXISTING SINCE "1925 OR BEFORE"

THE R.A. WAS RECEIVED ON APRIL 12, 1975.

APPARENTLY, THE QUESTION IS, CAN THE COUNTY OR THE LESSEE CLOUD THE TITLE.

THE JUDGE HAS NOT ANSWERED OUR LETTER YET.

JOE.
