Conflict of Interest Form
For Regional Advisory Committee on Aging members

Area Agencies on Aging (AAA) are required to establish Advisory Councils that will advise the AAA on matters relating to the development and operations conducted by the agency. We must also ensure that the composition of the Council/Committee reflects the profile of the population served by the AAA. Therefore, Advisory Council/Committee members should consist of:

1. Persons 60 years or older who are program participants or who are eligible to participant in programs under the Older Americans Act
2. Family Caregivers of persons 60 years or older
3. Representatives of persons 60 years or older
4. Service Providers
5. Representatives of the business community
6. Local elected officials
7. Providers of veterans’ health care
8. The general public

Furthermore, the AAA must ensure that its Advisory Council Members are not subject to a conflict of interest. A conflict of interest includes:

1. Having a substantial financial or personal interest, directly or indirectly, in the profits of any entity from which services or goods are contracted or otherwise procured by the AAA.
2. Deriving a personal profit, directly or indirectly, from any entity that would conflict in any manner or degree with the performance of responsibilities of the Advisory Council Member.

This policy affirms the belief that all individuals who serve as Regional Advisory Committee on Aging members will ensure to take the proper steps to avoid conflict of interest while providing representation to clients or potential clients seeking assistance through the Area Agency on Aging of the Concho Valley.

By signing below I, ____________________________, accept and acknowledge that I have read and agree to abide by the Conflict of Interest policy as set forth by the Concho Valley Council of Governments/Area Agency on Aging of the Concho Valley on this _________ (day) of _____________________ (month), 2017.
