NOTICE OF FILING OF PERMIT APPLICATION FOR MUNICIPAL SOLID WASTE SITE

GOODYEAR PROVING GROUNDS has filed Application No. 2196 with the Texas Department of Health for a permit to operate a proposed Type VIII-D municipal solid waste site (tire disposal) to be located on 11570 North U.S. Highway 277, approximately 8.5 miles northeast of the intersection of U.S. 277 and U.S. 67, in Tom Green County, Texas.

The site covers approximately 1.5 acres of land, and is to yearly receive approximately 6,000 tires under the regulatory jurisdiction of the Texas Department of Health for disposal or other processing in accordance with the Department's "Municipal Solid Waste Management Regulations". A technical review of the application is being made by the Department's Bureau of Solid Waste Management and will be made by various State and local agencies which have a jurisdictional interest.

No public hearing will be held on this application unless a person affected has requested a public hearing. Any such request for a public hearing shall be in writing and contain the name, mailing address, and phone number of the person making the request, and a brief description of how the requester, or persons represented by the requester, has suffered or will suffer actual injury or economic damage by the granting of the application. If a hearing is requested by a person affected, or if the Bureau of Solid Waste Management determines that a public hearing should be held, notice of such hearing will be published in a newspaper regularly published or circulated in the county in which the the site is located at least thirty (30) days prior to the date of such hearing.

Requests for a public hearing and-or requests for a copy of the application shall be submitted in writing to the Chief, Bureau of Solid Waste Management, Texas Department of Health, 1100 West 49th Street, Austin, Texas 78756. A copy of the application may be reviewed at the Bureau of Solid Waste Management, phone (512) 458-7271.

Issued this 21st day of May, 1991.
