1 meter color infra-red image.

The horizontal positional coordinates for the point locations identified on the map were obtained by CVCOG and TNRCC personnel using differentially corrected GPS.

This map was generated by the Concho Valley Council of Governments. No claims are made to the accuracy or completeness of the data or to its suitability for a particular use.

For information concerning this map, contact Regional Services at 915-944-9666.

This map was prepared by the Concho Valley Council of Governments and the Texas Natural Resource Conservation Commission Region 8 in response to previsions of Section 363.064, Texas Health and Safety Code.

The closed landfill unit location and boundary indicated on this map are approximations only, based on the best available information.

Specific land tract(s) have been identified within this approximate boundary in order to inform the current and prospective landowner(s) that a closed landfill unit(s) may exist on any or all of these tract(s).

This map is not intended to influence the sale or purchase of real property. Accompanying this map is additional information on the subject closed landfill unit, land tract(s) and the assigned confidence level of the unit's location on this map.

Blackwell, Texas 79506

SUBJECT: Solid Waste-Coke County
Live Oak Lodge Landfill-Permit Application No. 1027
Coordinates: N 32° 04.5' W 100° 18'

Dear Mr. Fulton:

On June 8, 1978, Messrs. Charles LaSalle, P.E., and Stanley W. Thompson, P.E., from our regional office, inspected the municipal solid waste facility which previously served the Live Oak Lodge. During this inspection our representatives were accompanied by you.

At the time of the inspection the site was found to be properly closed in general compliance with the Texas Department of Health's "Municipal Solid Waste Management Regulations", dated April, 1977. Your cooperation in closing this site is appreciated. Since the application for a permit for this site was submitted by the previous owner, the application will be cancelled.

We appreciate the courtesy and cooperation extended to our representatives during this inspection. If we can be of assistance to you regarding solid waste management, please do not hesitate to contact us here in Austin or Mr. Stanley W. Thompson, P.E., Regional Director of Environmental and Consumer Health Protection, located at Second Floor-Old Courthouse, Abilene, Texas, 79602, telephone number 915/673-5231.

Sincerely yours,

LBR

Jack C. Carmichael, P.E.
Director
Division of Solid Waste Management
