Digital Orthophoto Quarter Quadrangle Mosaic created by Texas Natural Resources Information System.
1 meter color infra-red image.

The horizontal positional coordinates for the point locations identified on the map were obtained by CVCOG and TNRCC personnel using differentially corrected GPS.

This map was generated by the Concho Valley Council of Governments. No claims are made to the accuracy or completeness of the data or to its suitability for a particular use.

For information concerning this map, contact Regional Services at 915-944-9666.

This map was prepared by the Concho Valley Council of Governments and the Texas Natural Resource Conservation Commission Region 8 in response to previsions of Section 363.064, Texas Health and Safety Code.

The closed landfill unit location and boundary indicated on this map are approximations only, based on the best available information.

Specific land tract(s) have been identified within this approximate boundary in order to inform the current and prospective landowner(s) that a closed landfill unit(s) may exist on any or all of these tract(s).

This map is not intended to influence the sale or purchase of real property. Accompanying this map is additional information on the subject closed landfill unit, land tract(s) and the assigned confidence level of the unit's location on this map.

AFFIDAVIT TO THE PUBLIC

STATE OF TEXAS

COUNTY OF STERLING

BEFORE ME, the undersigned authority, on this day personally appeared ROLAND L. LOWE, County Judge of Sterling County, Texas who, after being by me duly sworn, upon oath states that Sterling County is the record owner of that certain tract or parcel of land lying and being situated in Sterling County, Texas, and being more particularly described as follows:

All that certain tract or parcel of land situated in Sterling County, in the State of Texas, and being two acres of land out of Survey No. 9, in Block No. 12, SPRyCoSurvey, more particularly described as follows:

BEGINNING at a stake in mound of stone about 10 vrs. West of the West bank of McKinzie creek and 88 vrs. West of the East line of Section No. 9, in Blk. 12, SPRyCo. at a point 53 vrs. N. 30' W. of the West end of the GC&SFRy. bridge where the same crosses said McKinzie creek, a walnut 8" in bed of creek brs. S. 51° E. 28.3 vrs. The danger signal on West end of said R.R. bridge, brs. S. 30° E. 53 vrs. for S. corner of this survey;

THENCE North 46½° W. 188 vrs. to a stake in mound of stone for W. corner of this survey;

THENCE N 70½° E. 149 vrs. to stake in mound of stone in W. edge of channel of McKinzie creek for East corner of this survey;

THENCE South 8° 33' W. crossing and recrossing said McKinzie creek 168 vrs. to THE PLACE OF BEGINNING, containing 2 acres of land.

The undersigned further states that from the year 1914 to the year 1983 there was operated on the aforesaid tract of land a Solid Waste Disposal Site. Specifically, such operation was conducted on that portion of the aforesaid tract described as follows:

All of the lands described hereinabove.

Further, the undersigned, Sterling County was the owner and operator of such Solid Waste Disposal Site. All future owners and/or users of the lands described herein are hereby given notice and advised to consult with The Texas Department of Health prior to planning or initiating any activity involving the disturbance of the landfill cover or monitoring system. Further, said future owners and/or users are advised of potential hazards associated with erosion, vegetative growth, leachate and/or methane existance and migration, and subsidence or ponding of water on the site.

WITNESS MY HAND on this the 16th day of January, 1984.

ATTEST:

Sandra Peel
