1 meter color infra-red image.

The horizontal positional coordinates for the point locations identified on the map were obtained by CVCOG and TNRCC personnel using differentially corrected GPS.

This map was generated by the Concho Valley Council of Governments. No claims are made to the accuracy or completeness of the data or to its suitability for a particular use.

For information concerning this map, contact Regional Services at 915-944-9666.

This map was prepared by the Concho Valley Council of Governments and the Texas Natural Resource Conservation Commission Region 8 in response to previsions of Section 363.064, Texas Health and Safety Code.

The closed landfill unit location and boundary indicated on this map are approximations only, based on the best available information.

Specific land tract(s) have been identified within this approximate boundary in order to inform the current and prospective landowner(s) that a closed landfill unit(s) may exist on any or all of these tract(s).

This map is not intended to influence the sale or purchase of real property. Accompanying this map is additional information on the subject closed landfill unit, land tract(s) and the assigned confidence level of the unit's location on this map.

CITY OF BRONTE

BRONTE, TEXAS 76933

March 11, 1982

Lew Griffith, P.E.
Department of Health
Bureau of Solid Waste
1100 W. 49th Street
Austin, Texas 78756

Dear Sir:

This letter is to inform you that the City of Bronte's solid waste disposal site lease has been cancelled effective May 1, 1982.

Under the "Grandfather Clause", we request a temporary permit to use our previous site. The site was in use from 1922 until 1971.

Consideration is being given to a county-wide solid waste disposal facility. At this time, no definite proposals have been made.

Enclosed is the City of Bronte's application for a temporary permit. If any further information is needed, please contact Mr. B. J. Luckett, Public Works Director, (915) 473-3501.

Very truly yours,

THE CITY OF BRONTE

James Tidwell

APPLICATION FOR A PERMIT TO OPERATE A
MUNICIPAL SOLID WASTE FACILITY

PART A - GENERAL DATA

This form must be submitted in eleven copies unless otherwise authorized by the Department. See supporting documents as noted. The applicant is encouraged to read this Department's "Municipal Solid Waste Management Regulations", April 1977 Edition, thoroughly before filling out this form. Failure to complete all entries and provide all necessary attachments will delay processing the application. Notes 1 and 2 at the end of Part A should be read before proceeding to complete Part B. PLEASE TYPE OR PRINT IN BLACK INK.

feet of the site. None
in the vicinity, please add a note to that effect.)

gnificant structures within one (1) mile of the site. None

1) mile of the site. None

9. Land use (i.e. farm or ranch land, commercial, residential, wooded areas, etc.) within one (1) mile of the site (1/2 mile for processing plants). (Annotate as needed) Ranch land

10. Political boundaries, including municipal extraterritorial jurisdictional limits. see map

11. Names or designations of main public roadways within one (1) mile of the site. Indicate type of surfacing of roads providing access to the site.

12. Boundaries and names of all airports within four (4) miles of the site. None

Name of Applicant City of Bronte

13. Drainage and utility easements within one (1) mile of site. None

14. Latitudes and longitudes. Latitude 31°51 min 50 sec; Longitude 100°19 min 25 sec

For all types of applications other than for Type I and IV sites serving 5,000 or more persons, the map shall be all or a portion of half-scale State Department of Highways and Public Transportation County Map or a United States Geological Survey 7 1/2-Minute Quadrangle Sheet. For applications for Type I and IV sites serving 5,000 or more persons, both types of maps shall be submitted. Equivalent maps may be submitted with any application provided they meet the prior approval of this Department.

The facility will serve approximately 1200 persons and it is estimated that it will receive an average of approximately 4 tons per day of municipal solid waste. The estimated life of the facility is 10 years. Open burning of solid waste is (is) (~~is not~~) contemplated.

It is requested that the permit be issued for a site of 2.19 acres. The name, address, and telephone number of the owner of the site is as follows:

Mrs. Walter Turner, Box 6302, Odessa, Texas 79762 (915) 362-8404

The name, address, and telephone number of the governmental entity or firm responsible for the operation of the facility is as follows:

City of Bronte, Box 318, Bronte, Texas 76933 (915)473-3501

SUBMIT TWO COPIES OF A RECORDED LEASE AGREEMENT OR A WRITTEN OPTION TO PURCHASE THE LAND, IF THE APPLICANT IS NOT THE OWNER OF THE LAND, AS REQUIRED BY PARAGRAPH E-3.1b (2) OF THE "MUNICIPAL SOLID WASTE MANAGEMENT REGULATIONS", APRIL 1977. It is the responsibility of the applicant to possess or acquire a sufficient interest in or right to the use of the property described for the purposes for which a permit may be issued. A permit, if issued, does not convey any property rights or interest in either real or personal property, nor does it authorize any injury to private property or invasion of personal rights, nor any infringement of Federal, State or local laws or regulations outside the scope of the authority under which a permit may be issued.

SUBMIT THREE COPIES OF A SOILS REPORT, IF THE APPLICATION IS FOR A TYPE II OR III FACILITY OR FOR A TYPE I OR IV FACILITY SERVING LESS THAN 5,000 PERSONS. The report shall contain as much information as available on soil characteristics at the site, such as permeability, clay and sand content, soil structure, and underlying geology. This type of information may be obtained from the nearest office of the U.S. Soil Conservation

N/A

Name of Applicant City of Bronte

Service. A report containing this information should be obtained from that agency and submitted to the Department with this application. The Department may require borings for these types of sites when soil conditions are considered questionable. Applicants for Type I and IV sites serving 5,000 or more persons will submit soils and geological information as required by Section E-3.3 of the "Municipal Solid Waste Management Regulations", April 1977. Applicants for Type V or VI land disposal facilities shall submit such soils information as may be determined in consultation with the Department.

Note 1: If the applicant is sure of the type classification of the facility and operation for which a permit is desired, he may proceed to complete Part B of the application which pertains to more detailed information and technical data required for evaluation of the particular type of facility and operation. Before proceeding to Part B, the applicant is advised to read Section 5 of the "Municipal Solid Waste Management Regulations", April 1977, for guidance in providing the necessary detail required for each item in Part B. Applicants for Type I and IV sites serving 5,000 or more persons and for Types V and VI will not use Part B.

Note 2: If the applicant is not sure of the type classification of the facility and operation for which a permit is desired, only Part A should be completed, signed, and submitted to the Department. Upon receipt of Part A, the Department will evaluate it and advise the applicant of the appropriate classification for the operation and facility so that unnecessary expenditures for the preparation of Part B can be avoided when a detailed technical report may be required in lieu of Part B.
