Subject: Solid Waste - Coke County
CRMWD/Lakeview Park - Permit No. 1059
N End of Dam Just W of Radio Tower

Dear Mr. Ivie:

A copy of the affidavit which establishes within the deed records the existence of the subject site, as filed with the Coke County Clerk, has been received. When we receive our region's verification of proper closure, the file for the subject site will be marked inactive pending our region's post-closure maintenance inspections at least through the year 1994 to determine if any post-closure subsidence or erosion problems occur which are in need of correction. If at the end of the five-year post-closure maintenance period the site is found to have been satisfactorily maintained, the subject file will be marked closed since you have rendered the past pending application and its grandfather status no longer valid by submitting the closure affidavit.

Your cooperation in properly closing and maintaining this site is appreciated.

If you have any questions concerning this letter or if we may be of any assistance to you regarding solid waste management, you may contact Mr. Phil A. Spry, P.E., of my staff here in Austin at telephone number (512) 458-7271 or you may prefer to contact Mr. Charles T. Grimshaw, P.E., Regional Director of Environmental and Consumer Health Protection at P.O. Box 10736 (6090 Surety Drive, Suite 113), El Paso, Texas 79997-0736, telephone number (915) 779-8016.
