Texas Natural Resources
Information System.
1 meter color infra-red image.

The horizontal positional coordinates for the point locations identified on the map were obtained by CVCOG and TNRCC personnel using differentially corrected GPS.

This map was generated by the Concho Valley Council of Governments. No claims are made to the accuracy or completeness of the data or to its suitability for a particular use.

This map was prepared by the Concho Valley Council of Governments and the Texas Natural Resource Conservation Commission Region 8 in response to previsions of Section 363.064, Texas Health and Safety Code.

The closed landfill unit location and boundary indicated on this map are approximations only, based on the best available information.

Specific land tract(s) have been identified within this approximate boundary in order to inform the current and prospective landowner(s) that a closed landfill unit(s) may exist on any or all of these tract(s).

This map is not intended to influence the sale or purchase of real property. Accompanying this map is additional information on the subject closed landfill unit, land tract(s) and the assigned confidence level of the unit's location on this map.

SUBMIT TWELVE COPIES OF AN AREA MAP WITH THE COMPLETED PART "A" WHICH CLEARLY SHOWS:

1. Date and scale of map.
2. Site boundaries.
3. Prevailing wind direction and north arrow.
4. Location of drainage structures, streams, waterways and lakes.
5. Water wells within 500 feet of the site.
   (If there are no wells in the vicinity, please add a note to that effect.)
6. Residences and other significant structures within one (1) mile of the site.
7. Cemeteries within one (1) mile of the site.
8. Designated recreational areas within one (1) mile of the site.
9. Land use (i.e. farm or ranch land, commercial, residential, wooded areas, etc.) within one (1) mile of the site (½ mile for processing plants). (Annotate as needed)
10. Political boundaries, including municipal extraterritorial jurisdictional limits.
11. Names or designations of main public roadways within one (1) mile of the site. Indicate type of surfacing of roads providing access to the site.
12. Boundaries and names of all airports within four (4) miles of the site.
13. Drainage and utility easements within one (1) mile of site.
14. Latitudes and longitudes.

For all types of applications other than for Types I, IV, and V, the map shall be all or a portion of half-scale Texas Highway Department County Map or a United States Geological Survey 7 1/2-Minute Quadrangle Sheet. For Type I, IV, and V applications, the map submitted shall be a U.S.G.S. 7 1/2-Minute Quadrangle Sheet. Equivalent maps may be submitted with any application provided they meet the prior approval of this Department.

The facility will serve approximately 1000 persons and it is estimated that it will receive an average of approximately _____ tons per day of municipal solid waste. The estimated life of the facility is _____ years or _____ months.

Name of Applicant _____

It is requested that the permit be issued for a site of 6.5 acres. The name, address, and telephone number of the owner of the site is as follows:

_____

_____

The name, address, and telephone number of the governmental entity or firm responsible for the operation of the facility is as follows:

City of Mentzer Texas

_____

Note 1: If the applicant is sure of the type classification of the facility and operation for which a permit is desired, he may proceed to complete Part B of the application which pertains to more detailed information and technical data required for evaluation of the particular type of facility and operation. Before proceeding to Part B, the applicant is advised to read Sections E and F, as appropriate, of the "Municipal Solid Waste Management Regulations", January 1976, for guidance in providing the necessary detail required for each item in Part B.

Note 2: If the applicant is not sure of the type classification of the facility and operation for which a permit is desired, only Part A should be completed, signed, and submitted to the Department. Upon receipt of Part A, the Department will evaluate it and advise the applicant of the appropriate classification for the operation and facility so that only the applicable portions of Part B are completed at a minimum expense to the applicant.

Note 3: A signature below is required only if Part A is submitted separately from Part B.

Permit No. 1054
Coordinates: N 31° 16.75' W 100° 51.25'

PERMIT FOR A MUNICIPAL SOLID WASTE FACILITY
issued under provisions of Article 4477-7, Vernon's Texas Civil Statutes, and the Texas Department of Health's "Municipal Solid Waste Management Regulations"

Permittee	Site Owner
City of Mertzon	City of Mertzon
P.O. Box 456	P.O. Box 456
Mertzon, Texas 76941	Mertzon, Texas 76941

Legal Description of Site: The legal description as submitted with the application is hereby made a part of this permit.

Size and Location of Site: The 6.5-acre site is located on the south side of Farm-to-Market Highway 2469, 2.5 miles NW of the intersection in Mertzon of Farm-to-Market Highway 2469 with US Highway 67, in Irion County.

Operational Classification of Site: Type III

Waste Disposal Methods Used at Site: Trench and area method of disposal with compaction of solid waste and cover with a minimum of six (6) inches of compacted earth not less often than once each month.

Description of Waste Materials Processed at Site: Solid wastes under the regulatory jurisdiction of the Texas Department of Health, when disposed of or processed in accordance with the Department's "Municipal Solid Waste Management Regulations".

Findings of Fact and Conclusions of Law: Attached hereto and made a part hereof.

Standard Provision: Acceptance of this permit constitutes an acknowledgement that the permittee will comply with all of the terms, provisions, conditions, limitations and other restrictions embodied in this permit; with the "Municipal Solid Waste Management Regulations" of the Texas Department of Health; and with the pertinent laws of the State of Texas.

Special Provisions: See Attachment - "Special Provisions for Municipal Solid Waste Permit No. 1054".

This permit will be valid until cancelled or revoked by the Commissioner of Health of the Texas Department of Health or until the site is completely filled and rendered unusable, whichever occurs first.

Given under my Hand and Seal of Office at Austin, Texas on the 14th day of Janaury, 1980.

STATE OF TEXAS

COUNTY OF IRION

AFFIDAVIT TO THE PUBLIC

1991 MAR 11 PM 3:31

Before me, the undersigned authority, on this day personally appeared John D. Nicholson who, after being by me duly sworn, upon oath states that he is the record owner of that certain tract or parcel of land lying and being situated in Irion County, Texas, and being more particularly described as follows:

Two acres out of Survey No. 39, Certificate 3/426,
G.C. & S.F. R.R. CO.
Being out of the Northwest corner of Survey No. 39.
Conveyed to the City of Mertzon December 12, 1913.
Deed of Records Volume 11 Page 45.

The undersigned further states that from approximately 1913 to the year 1989 there was operated on the aforesaid tract of land a Solid Waste Disposal Site. Specifically, such operation was conducted on that portion of the aforesaid tract described as follows:

1.16 acres of the said 2 acres aforementioned.

Further, the undersigned, City of Mertzon, Mayor, was the permitted operator of such Solid Waste Disposal Site.

Notice is hereby provided to any future owner or user of the site to consult with the Texas Department of Health prior to planning or initiating any activity involving the disturbance of the landfill cover or monitoring system.

WITNESS MY/OUR HAND(S) on this the 13th day of February, 1991.

John D. Nicholson
Owner-City of Mertzon

John D. Nicholson
Operator-City of Mertzon

SWORN TO AND SUBSCRIBED before me on this the 13th day of February, 1991.
