Form 7b. Detailed Personnel/Salaries Expenses

This budget form should be completed if any expenses are entered for personnel/salaries on Line 1 of your Grant Budget Summary.

Appropriate salaries for employees working directly on the funded project may be authorized under most of the grant categories. If the project or program proposes personnel to be funded wholly or in part by this grant, complete this budget form listing each employee. Any changes to the personnel funded under the grant must be approved by the CVCOG. In accordance with the UGMS, in those instances where grantees do not have an established organization-wide written travel policy approved by the governing board of the local jurisdiction, all employee-related travel expenses must be claimed at no higher than the same rates allowed by the State of Texas for its employees. Out-of-state travel for pass-through grant recipients will not normally be authorized.

On the detailed budget form for grant-funded travel, describe the types of travel expenses expected; whether the travel is routine in-region travel expense or the travel is not routine; and the purpose for the travel.

Non-routine travel, including out-of-state travel or travel to special conferences or events must be approved by the CVCOG in advance of the travel event. If changes to the non-routine travel expenses detailed in this application are necessary, you may submit a revised Form 7c to the CVCOG with a letter requesting changes. Any equipment that will be used for other projects or activities, in addition to the funded project, may only be funded at an amount reflecting the appropriate percentage of time that the equipment will be directly used for the funded project.

All equipment purchases must be approved in advance of purchase by the CVCOG, following established procedures. If changes to the equipment expenses detailed in this application are necessary, or when specific details to the equipment must be added after the grant is awarded, you may submit a revised Form 7e to the CVCOG with a letter requesting changes. The revised documents and the CVCOG response will be included in your contract file.

No construction costs shall be incurred by a pass-through grant recipient unless the construction details are approved in advance by the CVCOG, following established procedures. For construction activities to be conducted through a subcontract, the pass-through grant recipient must also submit evidence that the contract price is reasonable and necessary. As applicable under state law and regulations for the activity or service being contracted for, this evidence may take the form of bid tab sheets or other form of evaluation of competitive price offers or competitive proposals, and/or a cost analysis of price analysis under the Uniform Grant Management Standards. If changes to the construction expenses detailed in this application are necessary, you may submit a revised
Form 7f to the CVCOG with a letter requesting changes. The revised documents and the CVCOG response will be included in your contract file.

On the detailed budget form for grant-funded contractual expenses, describe the contractual expenses associated with the proposed project.

No contractual costs may be incurred by a pass-through grant recipient unless the subcontract is approved in advance by the CVCOG, following established procedures. The pass-through grant recipient must also submit evidence that the contract price is reasonable and necessary. As applicable under state law and regulations for the activity or service being contracted for, this evidence may take the form of bid tab sheets or other form of evaluation of competitive price offers or competitive proposals, and/or a cost analysis of price analysis under the Uniform Grant Management Standards. Other expenses, not falling under the main expense categories, may be included, if appropriate for the proposed project. If you will have additional “Other” expenses, not already listed, please itemize those expenses on the second table. The restrictions set forth in the grant contract apply. If any of the expenses listed are included in the calculation of indirect charges, do not itemize them on this sheet.

On the detailed budget form for grant-funded other expenses, list the other expenses associated with the proposed project.
Computer hardware not listed in the equipment budget form (computer equipment with a unit cost of less than $5,000), computer software, and additional other expenses must be authorized in advance of purchase by the CVCOG, following established procedures. If changes to the other expenses detailed in this application are necessary, you may submit a revised Form 7h to the CVCOG with a letter requesting changes.
