RECOMMENDATION FOR AWARD OF CONTRACT

TO: ALL PROSPECTIVE OFFERORS

RE: SOLICITATION # 24-TRANSIT-R-0037 BUS SHELTERS

After careful review of all submissions received, Tolar Manufacturing Company, Inc. is recommended for award of contract for Bus Shelters for Concho Valley Transit.

This notice is not official or binding until all questions and/or issues have been resolved, CVCOG has received all necessary approvals from its Board of Directors, Funding Agency, or any other necessary approvals, and a contract has been signed by the above vendor.

Providing the vendor and contract are approved, and the contract can be finalized and agreed upon by both parties, Tolar Manufacturing Company, Inc. will be awarded the contract for the goods and/or services set forth in SOLICITATION # 24-TRANSIT-R-0037.

In the event that approval is not granted or the parties reach an impasse, the award shall be void and options for the procurement will be reconsidered.

We recognize that all participants in this process have expended a great deal of time and effort in preparing and presenting offers. On behalf of the Concho Valley Council of Governments, I want to thank you all very much for your interest in this procurement. We hope that you will continue participating in future solicitations issued by the CVCOG.
